

Kendall/Columbia Valley Connectivity Plan
8251 Kendall Rd. Maple Falls. WA 98266

The following is a list of priority projects to
improve safety for all transportation users in east Whatcom County:

Kendall/Columbia Valley Connectivity Plan

Phase I –SR542/SR547 Roundabout

- Estimated to begin construction Spring 2015.

Fully Funded

See Exhibit A – reverse side

Phase II – Sidewalk Extension from SR542/547 Roundabout

- Traffic Calming and “Main Street” Improvements connecting SR 542 /SR547 Roundabout Intersection with school, library, local stores and proposed Pedestrian and Bicycle Trail.
- Creates safe pedestrian crossing for residents of the **Urban Growth Area**.
- Falls within existing State ROW.

WSDOT Funding Request: \$117,000

See Exhibit B – reverse side

Phase III - Kendall/Columbia Valley Pedestrian and Bicycle Trail

- Linking over 4,000 residents of **Urban Growth Area** with non-motorized access to local community resources, including school, library, regional resource center and local stores.

Currently in Planning and Design Phase

See Exhibit C – reverse side
